Provision of statements and notices electronically

It is important that you read these terms and conditions before applying for this facility.

We have the facility for making account statements, notices, newsletters or other prescribed account information available by electronic means. If the law permits us to do so, we invite you to access this information electronically rather than receiving it in paper form. We will always give you the option to receive your statements, notices and other account information in paper form.

If you consent to the provision of account statements, notices, newsletters or other prescribed account information available by electronic means, paper documents may no longer be given and your electronic communications must be checked regularly for notices.

We will only make your account statements, notices and other prescribed account information available on our internet banking site, being a secure electronic site requiring a pre-arranged and secure access method. We will avoid communications practices that are inconsistent with our messages about avoiding fraud. For instance, we will not:

- > use unsolicited email to ask you to disclose your personal banking information or secure code or password to us, or
- > send you unsolicited emails that include attachments.

If you receive such communications, delete them immediately. If a message includes our brand or name or makes reference to your banking details, contact us to report the incident.

We will provide prescribed information to you electronically in a form that allows you to retain the information (for example by printing and saving it). Our electronic communications will be comparable with equivalent paper documents in terms of the clarity and content of the information provided.

Statements and notices provided electronically are taken to be received by you at the time when the electronic communication enters the information system of the addressee. If for any reason we are unable to:

- > provide an electronic statement, notice or newsletter we may send you a paper statement, notice or newsletter; or
- > deliver electronic communications to your nominated email address we may cancel your election to receive such documents electronically and may instead send paper statements, notices and newsletters to your nominated postal address.
