IMPORTANT INFORMATION

BankVic has prepared this Financial Services Guide (FSG) to assist you in deciding whether to acquire any of the products or services we are authorised to provide. It contains important information about:

- The products and services we offer;
- How we and others are paid for those products and services;
- The interests, associations and relationships we have;
- How we deal with complaints; and
- Our contact details.

OTHER DOCUMENTS YOU MAY RECEIVE

If we provide you with personal advice (advice which takes into account your objectives, financial situation and needs) about an insurance product or about any other product that is not a 'basic deposit' product or a related facility for making payments other than by cash, you will also receive a Statement of Advice (SOA). A SOA sets out the personal advice given to you, including any recommendations about particular financial product/s, the basis of those recommendations, information about fees and commissions and associations with others that may have influenced the advice.

If we recommend, offer or issue you with a financial product, we will give you a Product Disclosure Statement (PDS) or disclose the key information contained in the PDS. The PDS will contain information about the product including its benefits and features and any costs associated with the product. We will also ensure you have or have access to the product's terms and conditions. If the product is a basic deposit product and a related non-cash payment product, a PDS may not be issued and in these circumstances we will provide you with information and terms and conditions, including fees and charges, for the product.

THE PRODUCTS AND SERVICES WE OFFER

BankVic is licensed, to deal and advise in:

- basic deposit products;
- non-basic deposit products;

- interests in managed investment schemes, including

- debentures, stocks or bonds issued by a government; and

REMUNERATION AND OTHER BENEFITS

Our representatives are salaried employees who do not receive any commission for products and services we issue or recommend. Any commission or payment from third party products is paid directly to BankVic and applied for the benefit of all members. Those payments, where known, are advised in the content that follows. Where the payment or commission is percentage based or falls within a range, the actual cost to you will be advised to you in a Statement of Advice.

Our staff may be eligible to receive bonuses, incentives and additional benefits based on a number of factors, including:

- achieving high standards in member service;
- our performance against targets; and
- for the sale and/or promotion of products.

The incentives may take the form of movie tickets, gift cards, electronic devices, tickets to sporting and cultural events or similar rewards, either from us or from third party providers for whom we act as an agent. BankVic may also offer travel vouchers for domestic and/or international travel. Additional benefits such as complementary or subsidised attendance at conferences may also be provided by us to our staff.

WHEN WILL I RECEIVE A SOA?

We may meet with you several times to discuss our advice before finalising our recommendations to you.

Once we have finalised our advice, we will explain our recommendations, and record it for you in an SOA. You should only implement advice after taking the time to read and understand the SOA and PDS (see below) and should contact us if you have any questions about the SOA or PDS.

You may not receive an SOA in the following circumstances:

- General advice — such as advice provided in seminars and through newsletters, which does not consider your personal circumstances, we will advise you if the advice is general advice;
- Further advice — if you previously received advice recorded in an SOA, any further personal advice may be recorded in a Record of Advice (ROA). You may request a copy of a ROA by contacting us and can do so for a period of seven years from the date the further advice was first provided to you.

WHEN WILL I RECEIVE A PDS?

Together with your SOA, you may also be provided with a PDS at the time you are provided with advice.

The PDS includes important information in relation to the product recommended including the features, benefits, risks and fees associated with the product.

You should only implement advice after taking the time to read and understand the SOA and PDS and should contact us if you have any questions about the SOA or PDS.
